Product and ordering information

Models available in price groups 6, decorative fabric (PG 6) 8, 10, decorative fabric (PG 10), D, H, J, M and X
For choice of fabrics and leathers please refer to our latest fabric/leather collection

STRUCTURE:

Frame:	Load-bearing parts of the frame made of solid wood and wood materials, surfaces lined with padded cardboard/ hard fibre.
Seat:	Spring systems with permanently elastic steel sinuous springs and upper-side cover.
	choice of:
Variant 1 or	Fixed seat made of PUR foam (at least RG 35); Seat covered with cotton wadding.
Variant 2 or	Fixed seat with spring core (FK) made from drawn spring steel wire (except for the stool) covered with textile wadding, PUR foam (at least RG 35), and cotton wadding.
Variant 3	Point-elastic pocket spring core made from drawn spring steel wire (except for stool), covered with textile wadding, foam (al least RG 35) and cotton wadding.
	We charge a surcharge per element for the pocket spring core . See page 7

Soft, flexible upholstery structure where the formation of wrinkles in the covers and seat imprints are part of the design and are therefore characteristic.
The upholstery will adjust to the shape of the body and the firmness of the seat will give a little. Minor differences in the seat firmness with add-on elements are design-based and are therefore not a cause for complaint .

Back: Fixed, marked back cushions in PUR foam (at least RG 25) and a cover made from cotton wadding.

FUNCTIONS: with manual fitting for adjustment of the back into 2 positions (included) or with motorised stepless adjustment of the back (available at a surcharge) -
-for all model types (except angular corner (with 2 fixed backs) and corner element (with 3 fixed backs)
2,5-seater, 2-seater and 2-seater medium with cross-sleeper (size of cross-sleeper: approx. 156 cm for seat frame SR 80 cm, 136 cm for seat frame SR 70 cm and 116 for seatframe SR 60) -**available at a surcharge**
The resting area is covered in the same fabric as the seat (resting area approx. 156x133 cm for SR 80 cm and 136x133 cm for SR 70 cm).
Note: if the sleep feature is ordered in leather, the reclining surface is upholstered in a neutral fabric. The resting area can also be ordered in leather - at a surcharge
The cross-sleeper function in not available in combination with motorised adjustment of the back.
1-seater with end-element, chlussteil, 1-seater medium with end-element, longchair, corner element, stool and stool bench are available with storage space - at a surcharge

Decorative fabric: The decorative fabric is only available for cushions and pattern matching is not possible.

Legs: different legs - see page 3

OTHERS: All materials used meet the requirements of the DGM pursuant to RAL GZ 430.
The design of the stitching may vary depending on the fabric, leather and synthetic leather used. The definition of quilted mats and cushions depend on the design or structure.
The appearance of decorative, fell and double seams may vary depending on the fabric, leather and artificial leather used.

Suites are standardly delivered with the back covered in the chosen fabric. All material-related information can be found
on the back of the individual fabrics and leathers in our fabric and leather samplers.

All dimensions specified in the price list are approximate dimensions in centimetres, determined according to the usual measurement method (see RAL-GZ 430) and in unused new condition.
.Please note that in the case of very soft upholstery in particular the seat height and seat depth can show discrepant dimensional deviations to the dimensions given here
We reserve the right to make changes in shape , colour and design in the scope of technical progress.
Please always order from left to right as standing in front of the suite.
