Product and ordering information

Models available in price groups 6, 8, 10, decorative fabric (PG 10), D, H, J, M and X - Please refer to our current fabric/leather collection for the fabric selection

STRUCTURE:

Frame: Seat: Back:	Load-bearing parts of the frame made of solid wood and wood materials, surfaces covered with padded cardboard Spring system with permanently elastic steel sinuous springs and upper-side cover. Seat made of PUR foam (min. RG 35), structured in layers harmonised in different thicknesses and hardnesses. Seat covered with cotton wadding. Especially light upholstery is distinguished by its highly softly surface. Over the course of normal use, sometimes already in new condition, the covers exhibit a pronounced wave pattern purposefully based on the design and structure. The upholstery will adjust to the shape of the body and the firmness of the seat will give a little bit. Minor differences in seat firmness with add-on units are design-based and are therefore not a cause for complaint. Fixed back made of ergonomically shaped foam (at least RG25). Cover made of cotton wadding.

OTHER:	All materials used meet the requirements of the DGM according to RAL GZ 430. The distribution of the stitching may vary depending on the fabric, leather and synthetic leather used. The definition of quilted mats and cushions depends on the design and structure. The appearance of decorative, fell and double-stitched seams may vary in the fabric, leather and synthetic leather used.
	All back covering parts are standardly delivered in the chosen fabric. All material-related information can be found on the back of the individual fabrics and leathers in our fabric and leather samplers.
	All dimensions stated in the price list are approximate dimensions in centimeters, determined according to the usual measuring method (see RAL-GZ 430) and in unused new condition. Please note that in the case of very light upholstery, especially in the seat height and seat depth, recognizable dimensional deviations to the dimensions given here may occur. We reserve the right to make changes in shape, colour and design within the scope of technical progress. Please always order from left to right as standing in front of the suite.
