

Model Winchester

3-seater and 2,5-seater in leather Movini oliv

**Product and ordering information**

**Model available in price groups 6, decorative fabric (PG 6), 8, 10, D, H, J, M and X -  
For choice of fabrics and leathers please refer to our latest fabric/leather collection**

**STRUCTURE:**

Frame: Load-bearing parts of the frame made of solid wood and wood-based materials, surfaces lined with padded cardboard.  
Seat: Spring system with permanently elastic steel sinuous springs and upper-side cover. Seat made of PUR foam (at least RG35), structured in layers and harmonized in different thicknesses and hardnesses. Seat covered with cotton wadding.

Soft and loose upholstery where the covers exhibit a pronounced wave pattern as well as seat imprints purposefully based on the design and structure  
The upholstery will adjust to the shape of the body and the firmness of the seat will give a little bit. Minor differences in seat firmness with add-on units are design-based and are therefore not a cause for complaint.

Back: Back made from ergonomically shaped foam (at least RG 25). Cover made of cotton wadding.

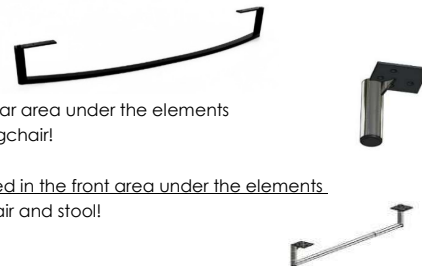

**FUNCTIONS:** Adjustment of the head rest - for all model types  
Manual or motorised seat extension for model types 3-seater, 2,5-seater and 2-seater - available at a surcharge  
Elements with the "motorised" function are equipped with concealed switches. The switch is located on the inside of the armrest and on the left side (for types without armrests) of the seat cushion. Operating instructions are included with the furniture.

**ACCESSORIES:** Cushion (approx. 40x40 cm), cushion (approx. 50x50 cm), cushion (approx. 60x40 cm) - ONLY available at a surcharge  
Square flutter cushion M (approx. 75x75 cm), rectangular flutter cushion M (approx. 95x75 cm), square flutter cushion L (approx. 95x95 cm) - ONLY available at a surcharge

**Decorative fabric:** The decorative fabric is only available for cushions and pattern matching is not possible.

Legs: **Metal skid curved black matt**  
(can only be fitted under the armrests)

Metal leg black matt is alternatively used in the rear area under the elements corner element, corner element medium and longchair!

Metal skid straight in black matt is alternatively used in the front area under the elements corner element, corner element medium, longchair and stool!

**Metal skid curved chrome polished**  
(can only be fitted under the armrests)

Metal leg chrome polished is alternatively used in the rear area under the elements corner element, corner element medium and longchair!

Metal skid straight in chrome polished is alternatively used in the front area under the elements corner element, corner element medium, longchair and stool!

**OTHER:** All materials used meet the requirements of the DGM according to RAL GZ 430.  
The appearance of the stitching may vary depending on the fabric, leather and artificial leather used. The definition of quilted mats and cushions depend on the design and structure. The appearance of decorative, fell and double seams may vary depending on the fabric, leather and artificial leather used.

Suites are standardly delivered with the back covered in the chosen fabric. All material-related information can be found on the back refer to our of the individual fabrics and leathers in our fabric and leather samplers.

All dimensions stated in the price list are approximate dimensions in centimetres, determined according to standard measuring method (s. RAL-GZ 430) and in new and unused condition. Please note that in case of very light upholstery especially the seat height and seat depth can be discerned during the course of use to the dimensions mentioned.

We reserve the right to make changes in shape, colour and design within the scope of technical progress. Please always order from left to right as standing in front of the suite.
